When your name is called out make you way to the Union Flag. Line yourself up either side on the Union Flag then wait.

Once the order "Present Wreaths" is given you should walk/march forward and Halt one step back from the War Memorial then lay your wreath on the floor/first step standing it on its end.

Take one step back and pause.

If the wreath bearer is wearing Uniform then wreath bearer is to salute, right turn and march off.

Persons not in uniform should make a short bow then turn to the right, march off.

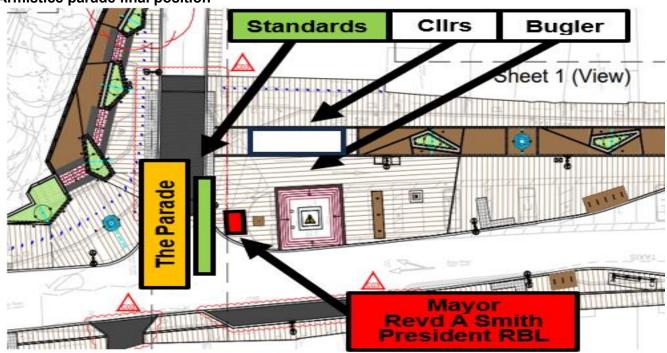

Please don't rush this

Then make your way back to your parade position.

Sgt Dillion and Cdt Ben Herring will re-position the wreaths before the Parade Marshal starts calling out the next wreath layers names.
