The minutes of the meeting held on 15th November 2021 were circulated and approved.

Review of 2021 “Switch-on”:

The Chairman thanked everyone who helped on the evening for their efforts.

Matters Arising & Tasks To Be/Already Undertaken in respect of 2022 Event:

1. “Switch-on” date unanimously confirmed as Friday 25th November 2022.
2. The road closure has been confirmed by Cambridgeshire County Council and Ringways have been notified of their involvement therein.
3. The following interested parties need notifying of the above date in the next week or two:
 - a) Lisa Hedges re fair rides
 - b) John Whitehead re MC duties
 - c) Duncan Partington re entertainment
 - d) Ridgeons re loan of steps
 - e) John Thomas re loan of lorry trailer
 - f) Lions Club re provision Father Christmas and sleigh including transport thereof.
 - g) FDC re ensuring that the Market Place car park will be closed all day and that the Broad Street toilets will be open until 10pm (Isabel & Layna).
 - h) Order a Christmas tree from Elveden Farms.

- i) Ascertain whether Sainsbury's and Tesco's will allow bag-packing or collection days.
 - j) Approach Balfour Beatty to ascertain whether they will again supervise electrical works since this is the only practical way the Committee can legally access CCC street lighting columns.
 - k) Assistant Town Clerk to be requested to book St John Ambulance.
 - l) Decide upon a suitable person to switch on the lights.
 - m) Apply for CCC Street Lighting License.
4. March Town Council has committed £25,000 in its 2022/2023 budget for Christmas-related expenditure.
 5. In previous years a maximum of £7,500 has been paid out to helpers.
All payments were subject to recipients signing a receipt acknowledging that they were responsible for their own tax and national insurance if applicable.
Discussions need to be held regarding the best way to proceed in 2022 since Clinton and Dean Elkin have both stated that they no longer wish to assist with the erection and dismantling duties.
 6. All cross-street wires and wall bolts need testing during 2022. Tests are due bi-annually so will need testing again in 2024.
 7. More complaints than normal were received regarding light outages and the failure to remedy faults. Better communication and management are needed for this coming year. The following points need resolving:
 - a) Is the cherry-picker being used in the correct manner?
 - b) Do some street light sockets need replacing?
 - c) Are there any better or more cost-effective erecting and dismantling methods that could be adopted? This will be investigated by Dan Fortuna and Alan Stimpson and discussed again at the next meeting.

Tasks Still to be Undertaken:

1. Discussions are needed to ascertain how improvements can be made to the Christmas tree and "Nativity Scene" displays.
2. SAG paperwork needs to be completed at the earliest opportunity.
3. It was agreed that the following groups can have stalls etc at the event if they so wish:
 - a) Waterman's Club (on bridge).
 - b) Scouts (in vicinity of Iceland).
 - c) Churches Together (Nativity Scene in "old man's shelter).
4. It was hoped that Rachel Burry and Stuart Rayner would remain in the joint roles of Head Steward.
5. The need to recruit more stewards was essential.
6. A Christmas Shop Window competition will be arranged in due course. Town Clerk to produce a letter for distribution around the shops in late October 2022.
7. Robert Skoulding again agreed to sponsor the "Best Decorated House" competition.
8. It was agreed that the grotto should not be re-instated for 2022.

9. Several “set-pieces” are in need of repair. Robert Skoulding has suggested that all stock should be checked by May 2022 and we should consider how best they could be repaired. Sue Beer has done an excellent job over the years but this cannot continue forever. Robert S is certainly keen to learn how Sue B does repair them and would like to receive some lessons. The other alternative is to send them back to the supplier for repair. It was agreed that initially an attempt would be made for Sue, Robert and possibly Mark to do the necessary repairs during 2022.
10. Mark Purser will order two more 2-way radios with associated ear-pieces since the previous ones had proven to work very well.
11. Refreshments will be discussed in due course.
12. Mark Purser will investigate whether a sponsorship scheme is feasible to raise funds for additional lighting / on-going maintenance.
13. The Air Cadets were thanked for their past efforts and, although not directly involved any more, Colin Arnold thought their help would be forthcoming again for 2022.
14. Robert Skoulding stated that, although he would remain as a Committee member, he would be stepping down from the Chairman’s role because of health concerns. He requested that a replacement be found and elected at the next meeting. He was thanked for all his past efforts.
